This program is designed to provide a comprehensive review of pre-reading, reading and writing, academic skills. Children who do not attend RNS&K are welcome to join this group; however, this is an academic review and children enrolled must have come from a program that has established a foundation of basic academic readiness.

Our professional staff will work with small groups, and at times work one on one.

We have received feedback regarding our 2009 program with regard to the confidence and skill levels achieved by their children as a result of participation in our program.

Please call 301-762-2678 with any questions.
